

SHELLBAG  
2023

Samo słowo dzieciństwo kojarzy się z beztroskimi zabawami na podwórku,  
uśmiechem na twarzy i brakiem zmartwień. Czas dzieciństwa,  
choć bardzo krótki to zarazem bardzo ważny dla każdego człowieka,  
ponieważ nawyki, jakie nabędziemy w tym okresie pozostają z nami już na zawsze.  
Dlatego powinniśmy dawać dzieciom powody do radości i starać się, aby ten czas był barwny.  
Shellbag to przede wszystkim kolory, bo to właśnie one wprawiają w dobry nastrój.  
Stawiamy duży nacisk na wygodę, funkcjonalność, bezpieczeństwo i wykonanie.  
Siedziba marki mieści się w Gdańsku  
i to właśnie tu powstają nasze produkty z największą starannością i dbałością o detale.

The very word childhood is associated with carefree games in the yard,  
a smile on his face and no worries. Childhood time,  
although very short, it is also very important for every human being,  
Because the habits we acquire during this period remain with us forever.  
This is why we should give children reasons to be happy and try to make this time colorful.  
Shellbag is primarily colors, because they put you in a good mood.  
We place great emphasis on comfort, functionality, safety and workmanship.  
The brand's headquarters is located in Gdańsk and it is here that our products  
are created with the greatest care and attention to detail.
